Safety First

- 🐾 All dogs must be properly inoculated, including current for the Bordetella vaccine.
- 🐾 Dogs must be healthy and parasite free. Do not bring dogs that are coughing or showing signs of illness
- 🐾 All dogs must be leashed until safely inside the training area, and returned to a leash prior to exiting. Owners must have one leash per dog at all times.
- 🐾 Owners are encouraged to inquire about any dogs off leash that are already in the facility that are unfamiliar to them, prior to entering; this will help prevent altercations.
- 🐾 No dog aggression is allowed - you must keep dog under control at all times. Owners must immediately leash and remove dogs from the facility at the first sign of aggression, hostile, or combative behavior.
- 🐾 Keep both gates and/or doors closed at all times
- 🐾 No dogs should be left unattended or unsupervised.
- 🐾 For safety and positive training reasons, we strongly discourage pinch (prong) and choke collars. A basic flat buckle collar is recommended. These training collars are prohibited on the agility course. Head collars and harnesses are permitted.
- 🐾 Do not allow your dogs on the contact equipment (A-frame, teeter and dogwalk) unless you have taken agility classes and are familiar with their use. This is for the safety of your dog.
